- Depends on the Object: no object = no sin. If object is neighbor's wife, porn, = sin is klar
- On many things
- I'm not sure anymore, I used to believe it was always a sin
- Not in connection with my spouse
- for medical reasons, if the person is in danger of death maybe?
- only if it's connected with lust - i'm not sure!
- Only if it's connected with lust (porn or imagination)

- Surely its sin with porn. But maybe ok if wife agrees and Im thinking about her? I dont know .
- I if the spouse is with me and agrees with that - than it is not a sin.
- It all depends on the motivation and what generates the mental images
- I think it is, but I have questions though. I think the Bible is not clear on that topic
- Techniclly not, but i am 100% sure it is not possible to do it without sining
- generally yes, but there can be exceptions: eg long time abroad while "Skype sex" with your spouse.

23. Do you believe that homosexuality is a sin?

Choix unique, Nombre de répondants 100x, sans réponse 1x

- It is not a sin but a state / It can be the fruit of sins / But same sex relationships is sin
- desire not necessarily, acts yes
- The sexual act or pursuing homosexual relationships, yes. Struggling with same sex attraction, no
- feeling homosexually is not a sin. acting out homosexuality is a sin
- Acting: yes Attraction: no
- If it is acted upon
- La pratique de l'homosexualité est un péché. Etre attiré par le même sexe sans céder ne l'est pas.
- It's a specific temptation - like many other
- homosexual behavior is a sin, but having homosexual temptations is not.
- The attraction NOT, but the action YES.
- Yes, but how can I feel when have desire for woman when I feel to be woman. It is storm in mind :(
- having homosexual tendendy is not sin.... its a sin when it's lived out
- it can be a sin.

- It is more sorrow of the soul reflecting how far is this soul from God.
- not the inclination itself, but living out sexual interaction in a same-sex setting
- If defined as lusting after same sex, no. If defined as acting upon it, yes.
- The homosexual "orientation" in itself is not, the act of homosexual activity/fantasy is.
- I'd say there is a difference between desire and action. Desire gives birth to sin, hence is not sin

28. Any other comment regarding this topic / survey?

Réponses textuelles, Nombre de répondants 39x, sans réponse 62x

- (2x) thanks
- sex must better understood
- Thank you for this survey

- The church should be a safe place to talk about sex. People should be taught about that : it includes understanding how God view sex, how God see sexual sins (compared to others), and how to react, recomfort and give advice to those who have problems with sex.
- Doesn't go too deep, just touches the surface. A number of singles are leaving due to relationships in the world and/or sexuality struggles. The churches in Europe seem ignorant of this.
- Thanks to do it. Would be better to have a bit more clarification on the questions...sometime.
- We should be talking about tis topic a lot more. In the US, they have classes for those that are struggling a lot with impurity. It's called "Men in White".
- It is very challanging. I will hear a lot at EBS and am afraid that I be frustrated, because all recomodatons work only with healty souse and not with married 'single'. I presume only God can help, so I continue pleading.
- (3x) No
- Super enquête, questions pertinentes. Ce sujet est totalement absent de notre enseignement d'église ces dernières années, comme malheureusement beaucoup d'autres sujets... Merci de le mettre sur le tapis
- Great idea this survey, I hope the results will be shared and analysed.
- thanks for bringing this up. I think it's a very important, yet stigmatized topic in church
- great idea, important to get the real picture and adjust preaching/Topics accordingly!!
- for many questions, a comment box could have been added to add value to the question.
- thank you for providing it
- I am very much looking Forward to the findings of this EBS - thanks!
- Have not only marrieds lead the class. It's easy to preach to the shipwrecked if you are on dry land. Have someone speak who was out on the sea for 10+ years.
- I feel Gods love to me as to the sinner and I want to be genuine ME according to His will. But I ask every day what His will is. Not easy! Only He can help me and his spirit can comfort me.
- thank you ! we need to be more real and not religious about this topic.
- For me sexuality is a basic foundation in a couple and in Christian life and should be taken very seriously in the education of our children and in the life of our churches.

It is very important to have good discussions on the subject to educate, reassure, prevent, ...

For my part, I have not had discussions with my parents about this, which when I was abused I was lost in the world of adults and I convinced myself for nearly 35 years that it Has been my choice.

And the fact of having been abused for 3 and 1/2, 3-4 times a week and asked me to masturbate each time.

So for me sex for many years had become a thing to do.

I thank God each day for his grace and forgiveness.

I am married to a wonderful woman whom I love very much and whom I respect because she knows what I have endured and remains patient towards me on the subject of sexuality in our couple.

Today I can talk to friends and turn to God and feel loved for what I am and not for what I have endured

My conviction is that god gave us sexuality for a couple and it's a gift.

- Personally I have a lot of trouble loving gay people and I would like to open my couer more

- Enjoyed it, thx.
- I hope and I wish that every moment of the EBS would reflect God's grace, His love, His greatness. Hopefully God wisdom will reign and not human wisdom. You are awesome Brothers and Sisters, have great faith in Him! Love you!
- Thanks for your time! ;)
- Where and when will results be published?
- Thank you for addressing this issue. It is really awesome and a very needed topic.
- Tanks for putting it together
- great topic for EBS :) I feel we don't talk about this enough
- thank you
- Thank tou for thia survey, hugs!
- Thanks for talking about this topic. Very important.
- we have to speak more about this topics at church
- Classes/devotionals for singles (divided into different groups: pre-teens, teens, and adults.
- Non je n'ai pas d'autres commentaire concernant ce sujet mais j'espère que cette enquête aboutira sur quelque chose pratique pour aider les disciples (dans leur couple) sur la pureté dans leur sexualité et dans leur relation avec Dieu !!
- no
- - skipping questions would have been nice.
 - some were leading questions: Especially 17 ("to believe in being pure" seems to imply more than just rejecting sin. We also in the same way believe in being honest, hospitable and merciful before marriage, don't we?) and number 20 (stagnating appears to be negative and will look bad in the resulting presentation. But stagnating does not tell how good/bad it is. Jesus was certainly stagnating. I answered accoringly with "improving" in areas that I am "doing good" even thogh that actually means stagnating...while I refered to "stagnating" where I struggle, even though there is progress.

European Bible School survey : Healthy and Biblical view on sexuality

Dear sister, dear brother,

Here's an ANONYMOUS survey for all disciples in the European Churches of Christ. This survey will help us prepare the next EBS session on the topic "*Healthy and biblical view on sexuality*".

Your honest answers will help us better understand the convictions and the needs in the churches regarding this important area of our lives. The more answers we have, the better understanding we will get to help disciples. To be efficient, the questions are very "realistic". We hope it will not hurt your sensitivity or spirituality. Feel free to not answer the questions you don't feel comfortable with.

Please answer before Tuesday, May 9th. It only takes about 5 to 10mn.

Thanks a lot for your participation !
