- If you do it to know you better to help you with you spouse it's not
- I would not say it's a sin like lying... I think that it's better if we can control ourselves
- porn = sin slavery = sin but discovering body as a child like achild under 7 years old = not a sin
- If it is with my spouse, in foreplay, in a common agreement - it is then no longer a selfish act.
- If both would like to see the each other doing it...
- I cannot imagine Jesus doing it. I do not thing it elevates you to be more holly
- Yes but it's very difficult to overcome the (fugitive) pleasure and relaxation that comes each time
- I think it could be ok for singles, if not obsessive
- I don't know
- During certain period when my libido was not good I wanted to be sure that "mechanicly" It worked

There should be also more discussion and teaching with teen and pre teen

28. Any other comment regarding this topic / survey?

Réponses textuelles, Nombre de répondants 17x, sans réponse 33x

- Thank you for the initiative of this survey. It is a very interesting topic wich we would talk more about. God created sex and evrything he created was good, so as disacle we should find how to talk about more easily and find the right way to talk about it with more freedom (without no "Taboo")

What is the reason of this survey?

Will you give us back the result of it?

- I am really grateful for EBS to have a session about sexuality, i think it is a difficult subject, often thought of as worldly. Like many other areas of life of a disciple - I thought it will come naturally, improve with the help of God. At this moment I am quite hopeless for change in my marriage, it will stay as it is and i have to live with that.
- please more details in survey.
- I feel that in general, Sisters and Brothers in our church do Not easily Talk about sex. This could have been a question, too (general openness in the church). Otherwise, Thank you so much for doing this!!!!
- Good
- Double questions. Possibility to put the view of the spouse :)
- No. Hope, help it.
- Thanks so much for doing this.
- In churches need teachings also about oral sex and other practices
Need teaching for singles about real relationships treat menaing of love before sex.
- I think that talking about sexuality has the same importance for married couples, like for singles. A lot of couple do not give enough attention to it, nor talk about it.
- Thank you so much for doing this
- I'm wondering if wanting to tolerate the masturbation in the church, it is not giving right to the world. It is tough to stay holly and I'm not sure that Masturbation is needed to come closer to Jesus. It can easily become a dependance. It could eventually be tolerated for singles but in any case for married husbands and wives even during trips. That is a too easy. Let's master our body and fight for being holly.
- Hope that a lot of People would feel confortable to talk about this major topic
- it's curious
- A bit surprised you didn't ask if I masturbate or have cheated, after asking about my convictions on that.
I believe that in general marriages are taken for granted in the church (for many years we didn't have couple 's nights) but I know quite a few couples struggle in our church for lack of intimacy, regular sex life and most of all wives wish they were spiritually led by their husbands. Last but not least quite a few of my non-Christian friends (and some baby christians, too) have pointed out that couples in the church don't seem very affectionate, or at least they don't show affection towards each other.
Thanks a lot for taking this initiative, God bless this survey
- I don't know
- I think it 's a very good idea to be more informed about this topic because sometimes we can be weakened.
Sexual topics are so a human thinking and we are spiritual humans in Christ.
So for me sometimes it's hard to fight with it.it.

European Bible School survey : Healthy and Biblical view on sexuality

Dear sister, dear brother,

Here's an ANONYMOUS survey for all disciples in the European Churches of Christ. This survey will help us prepare the next EBS session on the topic "*Healthy and biblical view on sexuality*".

Your honest answers will help us better understand the convictions and the needs in the churches regarding this important area of our lives. The more answers we have, the better understanding we will get to help disciples. To be efficient, the questions are very "realistic". We hope it will not hurt your sensitivity or spirituality. Feel free to not answer the questions you don't feel comfortable with.

Please answer before Tuesday, May 9th. It only takes about 5 to 10mn.

Thanks a lot for your participation !
